MARION SMITH	Term Expires 1968
MERLE S. RICH	Term Expires 1969

School Treasurer

WALTER CROTEAU

Trustees of Trust Funds

MARGARET CHAFFEE WALTER CROTEAU

TOWN TOPICS

Junk Cars

During the past year through the co-operation of all concerned the unsightly unused cars and vehicles have been removed from open storage. As a result our Town has taken on a much better appearance. For this clean-up campaign our sincere thanks. Too bad that some other Towns have not been as prompt and co-operative as our Newbury folks.

Street Lights

New lights have been installed at Newbury Heights and Bay Point Road and just recently at the new entrance of the Post Road on 103. During the year the weak incandescent lights on 103 in Newbury and in the village of South Newbury were replaced with the smallest mercury lamps for more adequate illumination.

Road Hazard Removed

A very dangerous highway hazard was removed by the State Highway Department when the entrance to the Post Road was relocated. This was a part of the improvement program for Ledge Hill on 103 by the addition of a truck lane. It is now possible to safely enter and leave Post Road at 103 with the entrance moved further west. We all appreciate this improvement.

Highway Garage Addition

The new addition has been completed to the Highway Garage. This provides water and toilet facilities for our Highway Department. A good well with water pump has been installed as well as a septic tank system. This was long overdue and we thank our voters for making this possible.

Fire Department

Our Newbury Fire Department continues to improve all the time. A year ago an equipment appropriation was voted and has been well used. Scott Air-pacs, a portable electric generator and radio equipment have been purchased and installed. In addition and from the regular fund a small amount of protective clothing has been bought (boots and helmets). However, there is not enough protective clothing

in the Department to furnish every member. Funds should be made available to add the required clothing and also to replace several lengths of old fire hose that will not withstand the high pressurers used in fighting fires. Our Chief, Wayne LaPorte, can fill us in.

Red Network Fire Alarm and South Newbury

The Red Network telephone fire alarm system now consists of five red network telephones (763-5411) for reporting a fire. There is no connection to the Bradford exchange which serves the South Newbury area. The monthly charge for Red Network system is about $30.00. To serve the South Newbury area through the present system would involve having a Bradford number with lines installed to connect the number to the Red Network telephones. The cost for this per month would be:

1. Bradford telephone	$10.00
2. Mileage connection	33.00
3. Exchange bridge wiring	2.00
	$45.00

At present South Newbury residents must dial the Red Network number; have the Concord operator cut in to take the callers number and then have the call completed from Concord to the Sunapee exchange and then back to Newbury. The present Red Network costs about $360.00 per year. The Bradford interlock would cost about $540.00 per year for a total of $900.00 per year. Many have questioned the lack of such a system for South Newbury. This is why. Such a service can be authorized by the voters.

Information Booth

The report of our Information Booth Committee shows greater use of the Booth each year. We all are most grateful to Mrs. Mabel Pomeroy for her wonderful work during the touring season. Further improvement to the present booth is not planned this year since there may be a State operated booth in the Sunapee area in connection with the construction in 103 and 89.

Planning Board

There has been a growth of 20 percent in Newbury since 1960. Only New London had a greater growth — 21 percent.

How are we going to protect our Lake Sunapee area? Shall we allow things to happen haphazardly — or shall we plan our future growth?

We vote this year for a Planning Board whose responsibility is to protect our Town. There will be more and more new neighbors coming to Newbury every year. By having standards suggested by the Planning Board and voted on by each of us an overall control can be established that will keep Newbury from becoming a hodge-podge settlement as some areas already have — much to the sorrow of the property owners.

Police Department

Thanks to the close supervision by our police, we have had a more quiet year than before. Protection has been increased as voted last year. Our Chief, Arthur Jones and each of the officers has done a careful and thorough job. Better communications equipment is badly needed to supplement or replace the present equipment that is outdated, being ten or more years old.

Fire Ponds and Dry Hydrants

The Newbury Fire Pond and Dry Hydrant has been a good addition to our Fire Department. During 1966 another pond has been created in South Newbury at the corner of 103 and Village Road. Soil Conservation recommended the location as being preferable to the brook location. Mr. and Mrs. Merle Rich made the area available to the Town and the work will be completed in the Spring. This program has added to our protection in these built-up areas through efforts of our Fire Department. Further locations are planned.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Newbury, N. H., in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Newbury, N. H., on Tuesday, the Fourteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2 To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 3. To hear reports of Town Officers, Agents and Committees heretofore chosen and pass any vote relating thereto.

Article 4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 5. To see what action the Town wishes to take in regard to disposing of property acquired by Tax Deed.

Article 6. To see what action the Town wishes to take in raising and appropriating the sum of $918.66 for Class V roads (T.R.A.); the State to contribute the sum of $6,124.43.

Article 7. To see if the Town will vote to adopt the State Highway Department wage scale for Town employees; to become effective for the work week beginning March 11, 1967, and with subsequent revisions to take effect on January 1st of the year following their passage, with said vote to remain in effect until rescinded.

Article 8. To see what action the Town wishes to take in raising and appropriating the sum of $1,000.00 to be used by the Fire Department to purchase additional necessary equipment.

Article 9. To see what action the town wishes to take in raising and appropriating the sum of $1,500.00 to com-

plete the Dry Hydrant at South Newbury and to start work on a Dry Hydrant at Mount Sunapee.

Article 10. To see what action the town wishes to take in installing additional street lights on the upper end of Bay Point Road and also at the entrance to Newbury Heights.

Article 11. To see if the Town will vote to authorize the Selectmen to sell and convey, in the name of the Town, the so-called Nancy Farmer land of approximately eighty acres, situated near Chalk Pond, now owned by the Town of Newbury, New Hampshire, to Spruce Hills, Inc., for the sum of $20.00 per acre.

Article 12. To see if the Town will vote to abandon the present road over the East side of Chalk Pond and convey its rights, if any, to the same to Spruce Hills, Inc., in consideration of Spruce Hills, Inc., conveying to the Town a fifty foot right of way situated approximately one hundred fifty feet from the East shore of Chalk Pond and constructing thereon an 18 foot wide gravel road with suitable culverts and connection to the Chalk Pond Road. Said substitute road to be constructed by Spruce Hills, Inc., at no cost to the Town and subject to the approval of the Selectmen and its Road Agent.

Article 13. To see if the Town will vote to use a portion of the interest money accrued in the Trust Fund of Jennie J. Folsom for the purpose of painting the Library.

Article 14. To see if the Town will vote to raise and appropriate the sum of $3500 or more, to be added to the existing Highway Equipment Fund of $2,000.00.

Article 15. To see if the Town will vote to establish a Planning Board of five members with duties as set forth in Sections 1-15, Chapter 36, N. H. Revised Statutes Annotated, 1955, to make a study of the Town's development and report to the Town appropriate recommendations for the promotion and maintenance of the Town's best development. The Board shall consist of one Selectman and four other citizens appointed by the Selectmen, as provided in Chapter 36, N. H. Revised Statutes Annotated, 1955.

Article 16. To see what action the Town wishes to take in accepting $100.00 for Cemetery lot care from Hugh O. Bly; said amount to be in custody of the Trustee of the Trust Funds.

Article 17. To transact any other business that legally may come before said meeting.

Given under our hands and seal, this thirteenth day of February, in the year of our Lord nineteen hundred and sixty-seven.

RECOMMENDATION BY COMMITTEE: Pursue the possibility of having a State-manned information booth at the intersection of Todd Lake and 103 in Newbury or on the Federal Highway approach from Rt. No. 89 to 103 in Warner. If this booth is located convenient to the inlets of Newbury, there would no longer be need for a local booth.

TO THE BRADFORD WOMEN'S CLUB: Thank you on behalf of the committee and business people for their generous contribution of a window box to help beautify the booth.

Fred Pieczarka
Raymond La Fountain
G. Katherine Lust, Chairman

Report of the Trust Funds of the Town of Newbury, N. H. on December 31, 1966

Date of Creation	Purpose of Creation	How Invested	Balance of Principal Beginning Year	Balance of Principal End Year	Balance of Income Beginning Year	Income During Year	Expended During Year	Balance of Income End of Year

NEWBURY FIRE DEPARTMENT

Fires reported during 1966:

Jan. 26 1:15 p. m. Beacon Marina. Side of building in partition.

Jan. 28 12:45 p. m. Willie Rollins. Chimney fire.

Feb. 20 7:30 p. m. Alice Lynn. Backfire in furnace

May 2 8:30 p. m. Sutton Road, South Newbury. Brush fire

May 5 9:30 p. m. Cheney Road, South Newbury. Brush fire

June 20 4:35 p. m. State Park Beach. Auto fire

July 2 12:10 p. m. Ledge Hill. Slight accident, gas all over road. Wet down road with tanker

July 4 1:00 p. m. Carlton Hall. Gas water heater backfired

July 16 12:30 p. m. Newbury Dairy Bar. Cigarette under railing

July 24 1:00 p. m. Eagles Nest. Brush fire

July 31 3:00 p. m. Behind Newbury School in woods. Brush fire.

Aug. 3 6:00 p. m. Mullen. Kids burning grass.

Aug. 6 10:00 a. m. Park 10. Checked on fire. People burning without permit

Aug. 24 6:05 a. m. Wild Goose Lodge. Cottage on fire, underneath in crawl space

Sept. 3 4:00 a. m. Bradford Center. Tank truck called on red phone by Bradford Fire Dept.

Sept. 26 9:15 a. m. Lyman Cook, Blodgetts. Electric range overheated

During the year we held eight fire drills to become acquainted with the equipment, and members of the department attended five fire equipment and usage schools. We have five red phones in town so that the fire department is continually covered by someone. There has been a regular phone installed at the fire station and a flashing red light over the highway. We built a dry hydrant at the fire station and started one in South Newbury. We held an open house to show the people of Newbury and the public the new equipment which has been purchased, to demonstrate all the equipment, and to let everyone see just what the fire department is doing.

During the year we purchased two new Scott Air Pacs, one portable generator (2500 watt), two radios for the trucks and one hand radio. One of the truck radios is thanks to the Forest Fire Department because of additional funds which they did not use.

In the coming year we plan to rebuild a 1953 International oil company truck to a 1200 gallon water tank truck. We will also finish the dry hydrant in South Newbury, and hope to start one in Mount Sunapee.

I wish to thank all members of the Newbury Fire Department, and anyone else who helped, for their assistance at the open house and especially at the fires.

WAYNE LaPORTE

Chief

REPORT OF FOREST FIRE WARDEN

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A. M. and 5:00 P. M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important—instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

Newbury

LAW ENFORCEMENT . . .

OUR STRONGEST DEFENSE

LAW AND ORDER . . .

OUR CONSTANT NECESSITY

State of New Hampshire

DEPARTMENT of RESOURCES and ECONOMIC DEVELOPMENT

Board of Selectmen

Town of Newbury

New Hampshire

Gentlemen:

In 1966 your town appropriated funds for continuing control of the White Pine Blister Rust in cooperation with the Division of Resources Development. Final returns to the Division showed that 143 towns and cities, once again the largest number in the history of the work, did likewise. This vote of continued confidence in the Department by the public is most encouraging and sincerely appreciated.

Conforming to our yearly custom, there has been prepared, and is attached herewith, a statement briefly summarizing accomplishments, and expenditures of town, state and federal funds.

In our financial statement, the amount reported as "Cooperative Aid" covers not only expenditures for actual ribes eradication, but also state and federal funds spent in 1. detailed mapping and inspection of areas prior to actual control work, 2. research work that has reduced the size of the control area, and 3. research in control methods to reduce costs of control work. The mapping survey provides a permanent record which is of great value in planning future examinations and workings of white pine stands in your community.

Because details of control work can vary in communities, it is not possible to cover all in a brief statement. However, the supervisor of the control project in your town will, in the course of his planned public relations work, contact you and members of your Board in the near future to discuss the present status of the project and his future plans as it pertains to your community.

Control of the White Pine Blister Rust disease has been established on 98.7% of the entire state control area (2,500,000 acres). We are fast approaching our goal when the entire area will be on a controlled basis, requiring only

minimum funds to maintain this condition.

Thanking you for your past and continuing cooperation, I remain,

Very truly yours,
William H. Messeck, Jr.
Director
Division of Resources Development

TOWN OF NEWBURY, NEW HAMPSHIRE

Office of Selectmen

South Newbury

January 30, 1967

We, the Auditors of the Town of Newbury, have this day audited the books of the Selectmen, Treasurer, Town Clerk, Tax Collector, for 1966, cast their figures, compared their vouchers and found them correct.

Daniel V. Cunningham
F. Arthur Larson
George E. Purple
Auditors

1966 COURTESY TOWN MEETING

NOTICE

You are hereby notified that there will be a special Courtesy Town Meeting to be held on Saturday evening, the 13th day of August at 7:30 p. m. in the evening. This meeting is held for the benefit of non-residents in the Town of Newbury, N. H., at the Town Hall, South Newbury, N. H.

Signed:

Merle S. Rich

Jack G. Sweeney

Walter M. Roberts

Selectmen of Newbury

The meeting was brought to order by the Moderator, Randolph Milligan by the reading of the above notice and explaining the purpose of the meeting.

Questions were then collected and marked and asked in following:

Ques. What is the current tax rate for Newbury?

Mr. Rich stated that it was not known at the present time.

Ques. When are the street lights voted at the regular Town meeting, for the Newbury Heights Road, to be installed? Mrs. Eleanor Gimas

Mr. Roberts stated that new lights are voted upon at the Regular Town meeting either to be installed or rejected. Requests for lights should be submitted in writing to the Selectmen and then it would be placed as an Article in the Warrant to be voted upon.

Ques. Why can't some arrangements be reached so that Town property owners not on the lake front, be able to use Mt. Sunapee State Beach at a reduced rate?

Moderator explained that the Beach is operated by the State and this matter would have to be taken up with the State.

Ques. Cribs at Town Dock, Blodgetts' be repaired. Dangerous condition now exists because of rocks falling from cribs. Boats can't land.

Wm. T. Hunt

Mr. Rich stated that money was appropriated to replank docks at Newbury and Blodgetts' and this had been done.

Someone stated these rocks had only fallen out since that time, and wondered if dock could be brought out.

Mr. Rich explained that there was no money for this, but could be taken up in Warrant another year. Also that the Selectmen would try to get up to Blodgetts' and look the matter over within the next three weeks.

Mr. Roberts asked what condition was the dock in at present, since the new surfacing?

Answer was unanimous — excellent.

Ques. Eliminate sharp curve (blind) on Bay Point Road, the one that has been considered before?

Ernest D'Amore

Moderator stated the difficulty was in obtaining the land.

Mr. Rich stated that they had tried to reach the owner and had not been able to contact him and thought the logical thing to do was to try to contact him, the owner, before condemning the land.

Moderator read Article 16 of the 1965 Warrant of the Annual Town Meeting—

To see what action the Town wishes to take in acquiring by eminent domain a strip of land bordering Bay Point Road, property of Helen H. Barron, for the purpoose of relief of the existing sharp curve having poor visibility.

Action on this was as follows:

Mr. Perry said that this Article stated of taking land by eminent domain and quoted the New Hampshire Revised Statutes Annotated Chapter 31:92—Taking of Land. Whenever any town cannot obtain by con-

tract, for a reasonable price, any land required for public use, such land may be taken, the damages assessed, and same remedies and proceedings had as in case of laying out highways by selectmen.

Walter Croteau asked could this be explained further.

Mr. Rich stated that as promised at the Summer Courtesy Town Meeting the Selectmen contacted the owner of the land and they reached an agreement and the deed was drawn up. This was sent to Dr. Barron for signatures, however, it was returned as Dr. Barron would not pay fee required for signing of signatures, as he thought we were going beyond ourselves when asked to come to N. H. to execute same.

Mr. Fairbanks then made the motion that the Selectmen be authorized to acquire the land. Seconded and so voted.

Ques. We would like to know more about the New Highway by Lake Todd? Mr. & Mrs. Alfred L. Miller

Moderator stated that maps and plans were on display for anyone interested to look over and study.

Ques. By State law there is a $100 fine for throwing rubbish on highways and in Public Waters. Can signs to this effect be posted at Blodgetts' Public Dock and the Casino Beach, as they are at Sunapee Harbor? The throwing of debris in the water around Blodgetts' Dock especially bottles is quite a hazard.

John E. Hilton

The moderator stated that the bottle and can matter is the same in 48 states. The signs he thought would be a matter for the State.

Chief Jones stated that another year the Police Department would see that a sign or signs would be put up.

Ques. Request that sanitary code be established and enforced. It should exclude out-houses and protect people with existing or contemplated wells.

T. W. Smithers

Mr. Smithers stated that it should apply to the whole Town but that he was speaking of Blodgetts'.

Mr. Roberts explained that at the present time, all streams and brooks in the area were now under inspection by the State.

Ques. The excellent job of clearing away the boulders from the edges of Bay Point Road is appreciated. Can we hope that the dangerous corner (discussed at these meetings for several years) will be straightened out before next summer? L. C. Leonard

Mooderator mentioned to Selectmen that they were to note, two compliments had been received.

Ques. Is there a way to restrict or zone vacation or residential areas to exclude industrial businesses? Wish to commend the Newbury Police Dept. for the fine job they have done this summer in policing Blodgetts' Landing. C. Schiess

Ques. What can be done about zoning in Blodgetts', as to manufacturing? Marie George

Mr. Roberts was asked to speak on above questions and stated that two members of Planning Board had resigned and the following was now in effect. Roy Parsons, Lake Todd area, Webb Rogers, Blodgetts', Herbert Smith, Mt. Sunapee Area, and Mrs. Alice Lynn, Newbury area. He also mentioned that probably in the fall a Special Town Meeting would be called with emphasis on the Planning Board.

Mr. Obey asked the question as to whether or not in previous years had the question of zoning been brought up to be voted on.

Moderator stated that it had but that the set-up was illegal. A lengthey discussion followed.

Mr. Roberts stated that there is nothing wrong with industry as it is the life blood, but to towns like Newbury and New London, recreation is the main concern and that industries, properly located would be welcome.

Mr. Cushman stated that the Lake Sunapee Protective Association was very interested in this and explained its function.

Mr. Rich explained that the Board of Selectmen had no authority to do anything in regard to the situation and suggested that some good natured member of the Cottage Owners Association speak to Mr. Carlson.

Other questions on zoning covering law, establishment, etc. were submitted by Philip E. Benjamin
Ted. Cook
John E. Helton
H. M. Ryan
H. Mould
Helen C. Kitchin
David Thayer
L. C. Leonard
L. Marks

The moderator then told of a bill submitted to the legislature by the representative from Claremont, Mr. Carmine F. D'Amante, to open Newbury to ice fishing. He stated that surrounding towns all opposed it as did Newbury what it would mean to the Town, the problem of pollution, damage to properties around lake and after much discussion Mr. L. C. Leonard made the motion that the Selectmen take the proper steps for the Town of Newbury, as requested by the summer residents present at this Courtesy Town Meeting to notify the proper authorities in the legislature against the opening of the lake to ice fishing. It was seconded and so voted.

It was requested that a letter be written to Selectmen in regard to this for the records.

Mr. Cushman stated his thanks for the fine Police protection they had received this year and that he had been coming to this area for many years and would not like to revert back to what they have had in years past.

Mr. Ludes asked if there was any chance of the sewer being extended on Bowes Road.

Mr. Rich stated that the last time a survey was made the majority voted against it.

Mr. Obey asked if road behind Pine could be oiled?

Mr. Rich explained that the road had not as yet been accepted by the town, and that certain standards must be met. Mr. Merton Perkins explained.

Mr. Leonard expressed his appreciation to the Town Officers for holding the meeting and to have it repeated in 1967, the second Saturday in August at 7:30 P.M.

Seconded and so voted.

Total attendance was 69.

Meeting closed at 9 P. M.

Violet A. Jones

Town Clerk

LAKE SUNAPEE BOARD OF TRADE

Status Report

December 14, 1966

The LAKE SUNAPEE BOARD OF TRADE, established to promote the recreational industry in the Lake Sunapee Area, is happy to report that this past Summer Season was the best year for business in the past decade.

Inquiries received by this office were over 40% greater than they were a year ago. These inquiries were the direct result of advertisements run in the NEW YORK TIMES, BOSTON GLOBE, PROVIDENCE JOURNAL and in the leading Outdoor magazine, FIELD AND STREAM.

The LEAGUE OF NEW HAMPSHIRE ARTS AND CRAFTS has stated that because of the fine support given their Fair and the great cooperation accorded by the LAKE SUNAPEE BOARD OF TRADE, it has decided to use the Mt. Sunapee State Park facilities for at least the next three years.

As a new innovation, the 74-page booklet used for so many years as the mailing piece of the LSBT, will be replaced this Summer by several brochures pinpointing the several areas most valuable to our prospective visitors (and future residents). These brochures will cover the following specific subjects: "ACCOMMODATIONS" . . . "RESTAURANTS" . . . "SHOPPING" . . . "SERVICES" . . . "ACTIVITIES" . . . "ANTIQUES & GIFT SHOPS" and for those seeking to establish Summer or permanent residences in the area . . . "THE GOOD LIFE". Each brochure will be printed with its own special color cover stock and complimentary ink. ALL brochures will be mailed to every inquiry in a special envelope. The impact should be much more stimulating to the reader . . . and much more productive to attracting even more families to our area.

A new Committee has been created to study the needs, short-comings and the advantages of our area. Working together with the various communities and organizations within them, this Committee will seek to correct as many of the needs as is deemed necessary or helpful to the proper advance of this, the areas number one industry.

The Sign Committee, which last year was responsible for the sign on Route #93 directing motorists to the Route #89 turn-off, are attempting to better reposition this sign and to add better directional signing to the number of new highways which serve our area.

With the increased responsibilities and areas of activity in which the LAKE SUNAPEE BOARD OF TRADE is now and is planning to engage, an Amendment to the By-Laws was enacted at the Annual Meeting of the membes to increase to sixteen, the number of Directors.

The scope of the recreational industry is increasing and broadening at an ever increasing and accelerated rate throughout the Country. Competition becomes greater year by year. If we are to keep pace, we must work a little harder . . . . if we are ta step ahead, and provide the high economic status possible through the recreational industry we must work EVEN HARDER.

The LAKE SUNAPEE BOARD OF TRADE has dedicated itself to work EVEN HARDER to create a solid and productive economy for EVERY Community in the area.

Naturally, we appreciate the consistent support of the communities which, over the years has helped attain our present goals. We are confident that, as we approach even greater objectives, we can count upon your continued support.

Respectfully submitted,

FOR:

The Lake Sunapee Board of Trade

Alton B. Copeland, Exec. Sec.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Newbury qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the thirteenth day of March, 1967 at 7:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator to serve until July 1, 1967.
2. To choose a Clerk to serve until July 1, 1967.
3. To choose a member of the School Board to serve until July 1, 1967.
4. To hear reports of Agents, Auditors, Committees or officers chosen and to pass any vote relating thereto.
5. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
6. To see if the District will vote to direct the Treasurer to pay over to the Treasurer of the Kearsarge Regional School District any cash balance in his hands or money due the District as of July 1, 1967, or thereafter, less any outstanding bills or debts; any sum so transferred to be used as a credit against the Regional School District assessment to be raised by the pre-existing Newbury School District to defray its share of the cost of operation of the Regional School District during the first year of operation.
7. To see if the District will vote to authorize the School Board to make disposition of all school records.
8. To transact any other business that may legally come before the said meeting.

Given under our hands at said Newbury this 13th day of February 1967.

Douglas H. Brown,

Superintendent of Schools

SUPERINTENDENT'S REPORT

Due to the relatively short time that I have been associated with the Newbury School District, I will be unable to give what I feel to be a very comprehensive report concerning the operation of your school system.

The decision of the Town of Newbury to join the Kearsarge Regional School District is a wise move. Although, this move will not be less expensive, it will provide a more efficient and effective use of the tax dollar. In addition services heretofore unavailable in the Newbury schools will become available. This will make for greater educational opportunity for the students of Newbury and provide for increased resources for the faculty in carrying on their instructional efforts.

In the short time that I have been associated with the Newbury School System I have found the School Board, faculty, students and parents to be most cooperative. This is sincerely appreciated.

Douglas H. Brown,

Superintendent of Schools

SCHOOL HEALTH REPORT

Newbury, N. H.

Edith K. Eaton

School Lunch Supervisor

REPORT OF KEARSARGE REGIONAL SCHOOL BOARD

On May 2, 1966 the citizens of Bradford, Newbury, New London, Springfield, Sutton, Warner and Wilmot voted final approval of the formation of the Kearsarge Regional School District. The first official meeting of the new school district was held on July 19, 1966. The voters of the district raised and appropriated the sum of $24,900. for the operation of the district until July 1, 1967. Among other things the voters authorized the school board to "make a survey of building needs, to take options if necessary, to engage the services of an architect, an attorney, and to employ such other consultant services as may be deemed necessary, to make topographical surveys and to take such borings as may be required, and to do all other things necessary to enable the board to make a report and recommendations to the district."

The Kearsarge Regional School Board does not assume operating responsibility until July 1, 1967, at which time the presently-existing school districts in the seven towns will cease to function. Since its election in July the Regional School Board has been preparing for this responsibility, and making plans for the new school buildings which will be needed by the district. Elected Chairman was William Neumann of New London, with James Hansen of Bradford as Vice Chairman. Selected as Clerk was Mrs. Annette Stevens of Wilmot, who was succeeded in January by Janice T. O'Rourke. Mrs. Evelyn Kiernan of New London is Treasurer of the district.

On January 30, William Neumann's resignation, effective immediately, was accepted with regret. Dr. Anne Wasson was named to fulfill his term. Jane Hanson, Bradford, was elected Chairman with Donald Mitchell, Sutton, as Vice Chairman. Several important sub-committees of the board have been named, and have been hard at work. These sub-committees include those on Salary Schedules, Policy, and Architect Selection.

One early and significant decision of the board was to engage the services, at a cost of ½ of 1% of the bond issue, of the Educational Consultant firm of Engelhardt, Engelhardt, & Leggett of New York, one of the leading such firms in the country. Serving as this firm's consultant to the board is Dr. Edward Macbeth, who has spent many days in the

distict studying its problems and its plans for the future.

The Engelhardt firm has been engaged primarily in order to provide expert counsel to the board concerning building problems. Studying the original building proposals of the Kearsarge Regional Schools Planning Board, the firm has conceded their practicability, but has recommended an alternative approach. The board, after very careful consideration, has unanimously accepted the new proposal. The board will recommend that the district accept this plan, which calls for the construction of an entirely new high school building (9-12) on a new site as yet unselected, and the use of the present New London Central School for New London's first five grades and as a Middle School (6-8) for the entire district. The board believes this plan allows more flexibility for the future, and that it is a more sound approach educationally.

On the date of operating responsibility the district will come under the jurisdiction of Supervisory Union #43, with offices in Newport. The Superintendent of Schools is Gordon B. Flint, who is aided by Assistant Superintendent James Leh (who began work in December), and Teacher Consultant Alphonse Soucy. It should be emphasized that Mr. Flint has been working closely with the board since July, and that until next July Mr. Leh is working exclusively for the Regional School District.

In March or early April the Kearsarge Regional School Board will be holding one or more meetings of the district. At these meetings approval will be sought for (1) the operating budget for 1967-68, (2) changes in the Articles of Agreement to reflect the recommended new building plans, & (3) a bond issue for new construction. Every opportunity will be taken to keep the voters informed of progress in these areas prior to the meetings.

Respectfully submitted,

Kearsarge Regional School Board
James Hansen, Bradford
Marion Smith, Newbury
Floyd Bailey, New London
William Neumann, New London
Nancy Brodhead, Springfield
Donald Mitchell, Sutton
Emil Allen, Warner
Donald Peirce, Warner
Katherine White, Wilmot

VITAL STATISTICS

BIRTHS

Registered in the Town of Newbury for the year ending December 31, 1966

Date			Place of Birth
1966			
Jan.	28	Brenda Marie Digilio Father: Joseph A. Digilio Mother: Beverly E. Burroughs	New London Hospital
Feb.	2	Christine Leigh Dolan Father: Todd S. Dolan Mother. Virginia G. Buck	Concord Hospital
Mar.	4	Roland Leo Connell Father: Walter L. Connell Mother: Evelyn D. Rowell	Newport Hospital
Sept.	6	Rosemarie Digilio Father: Richard W. Digilio Mother: Josephine Noeito	New London Hospital
	19	Wende Suzan Givetz Father: Walter Givetz Mother: Charlotte P. Clough	New London Hospital
Oct.	13	Mark Daniel Stockman Father: James M. Stockman Mother: Maxine D. Forward	New London Hospital
